

About Bob Bell

(BobBell.ca)

Bob Bell is known for getting things done. A lifelong resident of Guelph, Bob has applied his engineering expertise (Queen's Univ.) around the world as a project manager. Locally, Bob has designed and managed the development of large manufacturing facilities and understands how to make strategic plans and manage large capital budgets for major infrastructure projects. Bob owns a small manufacturing business called the "Wike Bicycle Company" and his family bikes and trailers are enjoyed by thousands of families around the world. A Big Brother for 8 years and an experienced city councillor, Bob brings civic pride, business and technical expertise to City Council.... qualities that our city council needs.
